

STARTUP ARKANSAS

Startup Week 2014

Tuesday, November 11th

The Venture Center's Build•IT! Founder Fireside Chat with Frank Gruber, co-founder & ceo of TechCocktail

Frank will introduce his new book Startup Mixology and share his lessons, celebrations and stories on his eight years of interviewing and learning from other successful startup founders.

Wednesday, November 12th
1 Million Cups

Join us every Wednesday at 9:00 AM at the Little Rock Regional Chamber and hear two stories of entrepreneurs building great companies in our community.

ARK Challenge Demo Day

The ARK Challenge is a 3-month startup bootcamp program wrapping up its Little Rock class. Come hear 7 startup entrepreneurs pitch to investors and compete for a \$150,000 follow-on investment.

Venture Center & Tech Cocktail Mixer & Startup Showcase

Come help us celebrate the momentum of our startup community and the launch of the Main Street Creative Corridor with Tech Cocktail one of the most recognized brands celebrating entrepreneurship and startup communities nationally!

Begins at 6:30 PM at Club Level, 315 Main Street in downtown Little Rock
** Startups be sure to register to showcase!*

Thursday, November 13th
Arkansas Technology Summit

Come hear over 30 companies present and provide demos of scientific research being commercialized out of the academic research universities in Arkansas.

Friday, November 14th
Michael Burcham on Entrepreneurship (Keynote w/ Q&A)

Michael is a successful entrepreneur, investor and President & CEO of the Nashville Entrepreneur Center. He is one of this country's greatest thought leaders on entrepreneurship.
